

SIMPSON, CRAWFORD & SIMPSON,

6TH AVENUE AND 19TH STREET.

SEASON OF 1889.

SEASON OF 1889.

TENTH GRAND ANNUAL JANUARY SALE.

Every year since we have been in business, we have asked our customers to attend our Annual Closing Out Reduction Sale in January. Every year, as a result of our announcement, we have been gratified by an immediate and overwhelming response. We are perfectly well aware that there is one—and only one—reason for this, and that is that we have always kept faith with our patrons by giving them the goods exactly as advertised. To-morrow, Monday, January 7, we commence our Tenth Grand Annual January Sale, representing, as usual, every Department in the Store, and presenting values in seasonable and desirable goods that are positively unapproachable.

Alaska Sealskin Sacques, Jackets, Wraps, Newmarkets, and Raglans.

Needing every foot of room now occupied by our Fur Department for the proper display of our Spring Importations of Ladies' Outside Garments and Costumes, we have marked our entire stock of Sealskin Garments at great reductions from early prices, notwithstanding the great advance in raw skins at the recent London sale. The particular attention of intending buyers is invited to this collection of positive bargains.

Fur-lined Garments.

Our assortment of Mink and Siberian Squirrel lined Garments being a large one, we have made a deep cut in prices to clear the entire stock. They are in all sizes, with Silhouette and cloth coverings.

English Seal Plush Newmarkets, Raglans, Jackets, Sacques, and Wraps.

We emphatically state that, while in this sale we are giving the greatest values ever known in English Seal Plush Garments, the materials are of the highest grades manufactured and the finish and trimmings beyond criticism. Our stock is complete in all grades and sizes.

Ladies' Paris and Berlin Long and Short Wraps.

In the early days of December we purchased from the leading fashionable makers in Paris and Berlin their surplus stocks of Long and Short Wraps. We now place them on sale at much less than the wholesale cost in France and marks, not speaking of duties. We are sure that we simply state a fact when we claim that there has never before been offered such a magnificent assortment of High-Class Wraps at such astonishingly low prices.

Paris and Berlin Costumes At Less than Fifty Cents on the Dollar of Original Prices.

Ninety-three of our Imported Costumes were received during the past four weeks. At the prices we have marked them they are specially interesting.

London-Made Walking Jackets.

A purchase of over Three Thousand Ladies' London-made Walking Jackets from the most prominent and popular of the leading makers, at less than half value, enables us to offer surprising bargains in the finest goods ever manufactured. The assortment is almost endless and in all sizes.

Newmarkets and Raglans.

In Ladies' Newmarkets and Raglans we submit bargains such as have never been seen in fine goods. The collection is immense and includes the choicest styles of the season in plain tailor-made richly braided beavers, and the always popular Scotch materials. The lines of sizes are complete.

Misses' Newmarkets, Coats, Jackets, Suits, &c.

To close the entire stock in this Department we have placed such prices upon every article as will make them worthy of immediate examination. Remember, the materials used are strictly all wool, selected for their service quality, and the trimmings the very best.

Adhering to our fixed rule, we make no charge for alterations.
